

ISC 2019

6th INTERNATIONAL STUDENT CONFERENCE ON TECHNICAL SCIENCES

At the beginning...

Among us, there are some remarkable young people whose ideas will maybe help shape our future. Our goal, as faculty and members of the industry should be to recognize those students, support and nurture their ideas and help them in their scientific research. Most of all we must do our best to help them share their findings. That is why this year, for the sixth time, Technical faculty in Bor organizes The International Student Conference on Technical Sciences in an attempt to provide a forum for those exceptional young people to present and share their ideas, to withstand both compliments and criticism from their contemporaries, to gather new life experience and most of all, to spend time among friends and colleagues.

ISC 2019

Dear colleagues and friends,

For the first five years The International Student Conference on Technical Sciences was organized under the auspice and financial support of International October Conference on Mining and Metallurgy. This year, ISC 2019 is taking its first steps as an independent conference.

Being a non profitable conference, intending to provide a forum where students are free to exchange ideas over a broad range of technical sciences, including geology, mining, metallurgy, chemical engineering, mechanical engineering, environmental sciences and all related fields, ISC2019 now relies upon the financial support provided by the donors.

We are addressing you and your company, knowing that we share the same values, in hope that you will recognize the significance of providing the opportunity for these remarkable young people to promote their ideas.

Again, knowing that we share the same values, we prepared three humble donation packages for you to choose from and join us in our vision:

- Silver** – for donations in range from 300 - 500 EUR
- Gold** – for donations in range from 500 - 700 EUR
- Platinum** – for donations exceeding 700 EUR

To acknowledge your support we will provide:

- Donor Listing – Acknowledgement of Platinum / Gold / Silver Donation with your logo in ISC 2019 publications and accompanying material (Book of abstracts, announcements, flyers, posters etc)
- Acknowledgment of your support during ISC2019 appearances in the media

- Home Page Link - Logo with link to your website at the [ISC2019 home page](#)
- Display of your logo and trademark as a Platinum / Gold / Silver Donor, on the sponsors panel
- A certificate to your company for being the Platinum / Gold / Silver Donor awarded at the opening ceremony of the Conference

The following account can be used to provide support:

For support in RSD:

840-1478666-37 With a reference number (poziv na broj) **132**

For support in EUR please [contact us](#) for instructions

On behalf of the Organizing Committee,
warmest thank you,

President of the ISC 2019 OC

Prof. Saša Stojadinović, PhD
